

# PEACH POST

ISSUE 24-3

June, 2024

Last practice at The Fieldhouse was on Tuesday, March 12th. We've seen some amazing progress in our indoor preparation. Scooping balls off the floor; batting down the length of the "space"; good opportunities for pitching practice; automatic defensive plays ... we're ready for the season. Thank you, Pat, for finding this space. And, thank you to Andy for accommodating us at the Fieldhouse. We are better for it.

And, thank you. Marie, for helping fine-tune our bodies for stronger, better softball.

## Last Peach Bowl of 2023 - the Pumpkin Bowl

Teams were rearranged so the Johnsons, Debra, Denise and Mom, could play together on the Schnapps. However, Mom caught the flu and Joy (Schnapps first base) had an alarm clock/electricity malfunction. Darlene had the flu, Sandy L had a knee replaced, and Jo-Ann had to deal with electrical issues, too.

The Schnapps were a little short, so they "drafted" from the stands Geneva, Schnapps Captain LaMae's granddaughter, and Dean Johnson (a Johnson brother) who was keeping score with his dad, Glen Johnson. Dean played first base in both games; Geneva played outfield. It was a Johnson extravaganza. Dean did not hit in the second game.

Christine Meadows attended but was recovering from gall bladder surgery, so she kept score, replacing Dean. With all changes in place, the final Peach Bowl of 2023 commenced.

### Game Scores:

Schnapps 12 – Pies 5  
(W/O Dean's runs) Schnapps 7 – Pies 5

Tarts 2 – Turnovers 0

### 2nd games:

Turnovers 3 – Schnapps 4  
Pies 2 – Tarts 5

What a thrill it was for Debbi and me to cheer on our gals. Everyone loves the Peaches, and it was heartening to witness the widespread admiration. How about those 5 runs in one inning?!!!

Such a wonderful experience all around! We loved meeting new people this time and look forward to cheering you all again soon.

We hope the game with the Sugar Beets went well last night and have a wonderful practice today!

Thanks again for including us!

Love Teri (Meehan) and Debbi

PS: we picked up our very sweet rescue pup in Broomfield and head back to CA tomorrow. She will be a Peach fan as well!
